Opportunity Funding
Directed funds for mental health services

Application deadline: Friday, Aug. 9, 2019

Purpose: The Opportunity Funding directed to mental health services provides \$5.0 million in FY20, \$2.5 million in HB 225 (Annual Appropriations Act) and \$2.5 million authorized in HB 226 (One-Time Supplemental). With a total supplemental amount of \$7.5 million over three years, the total amount will be \$15 million *contingent on future appropriations*.

It shall be apportioned to schools which qualify for a Reading Interventionist under the Student Success Block Grant as detailed in House Bill 225 (the FY20 operating budget).

This funding shall be used by school districts and charter schools for *mental health services* in the form of school counselors, school social workers or licensed clinical social workers, school psychologists, and/or for additional reading supports for grades K-5. Services may include the employment of staff, where such funding may be used to cover 100 percent of personnel costs on a 10 to 12-month basis and/or contracted services.

This funding is allocated separately from the directed funds for English learners and low-income students.

Overall summary

1. What will you do to offer mental health supports specifically to low-income and English language learners?

The Cape Henlopen School District will use the funding to hire a certified elementary school counselor. The counselor's primary responsibility will be to provide individual and small group counseling, social skills, and mental health lessons with a focus on low-income and English language learners.

2. How will the funding also assist students not in those two subgroups?

The students that are not in the two main subgroups will have access to the counselor on as needed basis. They may also be part of a larger group lesson focused on social skills and mental health topics.

3. What kind of specialist are you hiring (school counselor, school social worker, licensed clinical social worker or school psychologist)?

Elementary School Counselor

4. Are you using this money for additional reading supports in addition to mental health services? If so, what types of services will be provided?

We do not plan to use this funding for additional reading supports. We utilize the opportunity funding for the reading interventionist. This person will collaborate with the reading specialist that is already a member of the school's faculty.

5. Is this money is being used to contract services?

YES NO

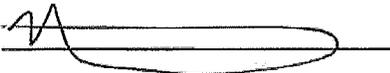

6. Please provide a copy of your expenditure plan.
