Opportunity Funding
Directed funds for mental health services

Application deadline: Friday, Aug. 9, 2019

Purpose: The Opportunity Funding directed to mental health services provides \$5.0 million in FY20, \$2.5 million in HB 225 (Annual Appropriations Act) and \$2.5 million authorized in HB 226 (One-Time Supplemental). With a total supplemental amount of \$7.5 million over three years, the total amount will be \$15 million *contingent on future appropriations*.

It shall be apportioned to schools which qualify for a Reading Interventionist under the Student Success Block Grant as detailed in House Bill 225 (the FY20 operating budget).

This funding shall be used by school districts and charter schools for *mental health services* in the form of school counselors, school social workers or licensed clinical social workers, school psychologists, and/or for additional reading supports for grades K-5. Services may include the employment of staff, where such funding may be used to cover 100 percent of personnel costs on a 10 to 12-month basis and/or contracted services.

This funding is allocated separately from the directed funds for English learners and low-income students.

Allocation Method: Amounts vary per school and that amount is indicated below. Each LEA has already received the first half of the funding; the second amount will be released upon receipt and approval of this application.

Overall summary

1. What will you do to offer mental health supports specifically to low-income and English language learners?

We decided to hire an additional Reading Specialist to work with our struggling readers. The Reading Specialist will meet with ELL and Low SES students in grades K-5 in small groups and work on reading skills based on student needs. If we can close gaps in reading achievement for our EL and Low SES, students tend to have better behavior in the classroom and are more on par to being successful in school overall.

2. How will the funding also assist students not in those two subgroups?

The Reading Specialist will meet with students who are struggling most in reading, so they may service students outside of the low SES and EL subgroups. If there is additional time in the Reading Specialists schedule, the teacher can pull bump-up groups and work with students who are on the cut line of being proficient in reading based on Reading Inventory (RI) scores.

3. What kind of specialist are you hiring (school counselor, school social worker, licensed clinical social worker or school psychologist)?

Reading Specialist

4. Are you using this money for additional reading supports in addition to mental health services? If so, what types of services will be provided?

The money is being used for a Reading Specialist who will offer reading supports to small groups of EL and Low SES students in grades K-5.

5. Is this money is being used to contract services?

YES NO

6. Please provide a copy of your expenditure plan.
