Opportunity Funding
Directed funds for mental health services

Application deadline: Friday, Aug. 9, 2019

Purpose: The Opportunity Funding directed to mental health services provides $5.0 million in FY20, $2.5 million in HB 225 (Annual Appropriations Act) and $2.5 million authorized in HB 226 (One-Time Supplemental). With a total supplemental amount of $7.5 million over three years, the total amount will be $15 million contingent on future appropriations.

It shall be apportioned to schools which qualify for a Reading Interventionist under the Student Success Block Grant as detailed in House Bill 225 (the FY20 operating budget).

This funding shall be used by school districts and charter schools for mental health services in the form of school counselors, school social workers or licensed clinical social workers, school psychologists, and/or for additional reading supports for grades K-5. Services may include the employment of staff, where such funding may be used to cover 100 percent of personnel costs on a 10 to 12-month basis and/or contracted services.

This funding is allocated separately from the directed funds for English learners and low-income students.

Allocation Method: Amounts vary per school and that amount is indicated below. Each LEA has already received the first half of the funding; the second amount will be released upon receipt and approval of this application.

Overall summary

1. What will you do to offer mental health supports specifically to low-income and English language learners?

For the 2019/2020 school year these funds will support the employment of a Behavioral Interventionist and a part time certified school counselor (starting in January 2020) to support the mental health/social emotional needs of our low income and EL students.

2. How will the funding also assist students not in those two subgroups?

While these positions are primarily supporting our EL and low income students, since our population is approximately 85% EL and low income, other students may be served.

3. What kind of specialist are you hiring (school counselor, school social worker, licensed clinical social worker or school psychologist)?

We are hiring a Behavioral Interventionist and a part time certified school counselor. Both will be leading the positive relationship building Academy-wide.

4. Are you using this money for additional reading supports in addition to mental health services? If so, what types of services will be provided?

Any funds remaining after paying for the salaries and OECs/health care costs of our School Counselor and Behavioral Interventionist are being directed to support the salary of our K/1 literacy teacher who is teaching a small class of students in grades K and 1 who also are of lower income households.
5. Is this money being used to contract services?

YES ☐ NO ☑

6. Please provide a copy of your expenditure plan.
