WHEREAS, on March 18, 2020 at 2:00 p.m. E.D.T., I issued the Second Modification to the COVID-19 State of Emergency declaration that modified the limitations on public gatherings of 50 or more people and, among other things, placed certain restriction on the operation of certain businesses and facilities in the State of Delaware; and

WHEREAS, on March 21, 2020 at 12:00 p.m. E.D.T., I issued the Third Modification to the State of Emergency declaration to close all Delaware beaches, except to persons using the beaches to exercise or to walk their dogs, subject to certain precautions recommended by the CDC on COVID-19, which became effective as of 5:00 p.m. E.D.T.; and

WHEREAS, on March 22, 2020 at 4:00 p.m. and 4:02 p.m. E.D.T., respectively, I issued the Fourth and Fifth Modifications to the COVID-19 State of Emergency declaration to close all non-essential businesses in Delaware, except those that can offer goods and services on the Internet, and to order a Shelter in Place for Delaware residents; and

WHEREAS, on March 24, 2020 at 4:00 p.m. E.D.T. I issued the Sixth Modification to the COVID-19 State of Emergency declaration to provide a moratorium on evictions and foreclosure proceedings to enable Delawareans to shelter in place safely, extended the presidential primary, provided for absentee balloting during the COVID-19 crisis, provided for a modified state procurement process, and placed a moratorium on cancellation of insurance policies for delay in premium payments caused by the economic uncertainty; and

WHEREAS, emergency health threats, including those caused by bioterrorism and epidemics, require the exercise of extraordinary government functions; and

WHEREAS, Delaware must have the ability to respond, rapidly and effectively, to potential or actual public health emergencies; and
WHEREAS, without additional action in state buildings and at essential businesses, COVID-19 could overwhelm Delaware’s hospitals and health care providers; and

WHEREAS, due to the COVID-19 health emergency and efforts to promote and accommodate telecommuting and social distancing for State employees, it is desirable to allow temporary modifications to the State's internal control procedures including but not limited to certain requirements to make daily or weekly bank deposits pursuant to Title 29, § 6103 of the Delaware Code; and

WHEREAS, it is necessary to further clarify certain provisions contained in prior modifications to the State of Emergency.

i. Create temporary enrollment forms for parents/guardians who are employed by essential businesses under the Fourth Modification and cannot work from home to enroll their child(ren) in care, such requirement to apply to each parent or guardian of the child.

Such enhanced reimbursements shall be determined by vacant slots at Emergency Childcare Sites. Additional adjustments may be made for essential staff pay; and

   ii. Sliding scale Purchase of Care and tiered reimbursements for childcare facilities that close but choose to pay 100% staff, and those that close and choose not to pay 100% staff; calculations for reduced payments will be based upon the childcare center’s enrollment and licensed capacity at the
