**WHEREAS**, it is in the best interests of the State to protect its citizens from a public health emergency that could threaten the lives of those who live and work here; and

**WHEREAS**, on March 12, 2020 at 3:00 p.m. E.D.T., I issued a State of Emergency due to the public health threat of COVID-19, which became effective as of 8:00 a.m. E.D.T. on March 13, 2020 (the “COVID-19 State of Emergency”); and

**WHEREAS**, on March 16, 2020 at 2:00 p.m. E.D.T., I issued the First Modification to the COVID-19 State of Emergency declaration to advise that the CDC issued new guidance for large

events and mass gatherings, recommending that organizers halt gatherings of 50 people or more for the next eight weeks due to the public health threat of COVID-19, including conferences, social events, concerts and other types of assemblies; and

**WHEREAS**, on March 21, 2020 at 12:00 p.m. E.D.T., I issued the Third Modification to the COVID-19 State of Emergency declaration to close all Delaware beaches, except to persons using the beaches for exercise or to walk their dogs, subject to certain precautions recommended by the CDC on COVID-19, which became effective as of 5:00 p.m. E.D.T.; and

**WHEREAS**, on March 23, 2020 at 4:00 p.m. E.D.T. and 4:02 p.m. E.D.T., respectively, I issued the Fourth and Fifth Modifications to the COVID-19 State of Emergency declaration to close all non-essential businesses in Delaware, except those that can offer goods and services on the Internet, and to order a Shelter in Place for Delaware residents; and

**WHEREAS**, on March 24, 2020 at 4:00 p.m. E.D.T. I issued the Sixth Modification to the COVID-19 State of Emergency declaration to provide a moratorium on evictions and foreclosure proceedings to enable Delawareans to shelter in place safely, extended the presidential primary, provided for absentee balloting during the COVID-19 crisis, provided for a modified state procurement process, and placed a moratorium on cancellation of insurance policies for delay in premium payments caused by the economic uncertainty; and

**WHEREAS**, on March 29, 2020 at 4:30 p.m. E.D.T., I issued the Seventh Modification to the COVID-19 State of Emergency declaration to provide for the self-quarantine of travelers from areas severely impacted by COVID-19 outside the State of Delaware into the State; and

**WHEREAS**, on March 30, 2020 at 5:00 p.m. E.D.T., I issued the Eighth Modification to the State of Emergency declaration to permit a comprehensive approach to the provision of childcare in the State of Delaware during the State of Emergency to support essential workers; and

**WHEREAS**, on April 1, 2020 at 3:00 p.m. E.D.T., I issued the Ninth Modification to the COVID-19 State of Emergency declaration to permit a comprehensive approach to the provision of childcare in the State of Delaware during the State of Emergency to support essential workers; and

**WHEREAS**, on April 6, 2020 at 6:00 p.m. E.D.T., I issued the Tenth Modification to the COVID-19 State of Emergency declaration to further restrict the operation of non-essential businesses to limit the spread of COVID-19; and

**WHEREAS**, on April 10, 2020 at 3:30 p.m. E.D.T., I extended the COVID-19 State of Emergency declaration, as modified; and

**WHEREAS**, on April 29, 2020 at 6:00 p.m. E.D.T., I issued the Fourteenth Modification to the COVID-19 State of Emergency declaration limiting the rent that may be charged to holdover tenants and preventing landlords from charging holdover tenants with losses not covered by the expired rental agreement; and

**WHEREAS**, in the next 30 days, multiple statewide, municipal, and school district elections are scheduled to be conducted in accordance with the terms and conditions set forth in the Sixth and Ninth Modifications to the COVID-19 State of Emergency declaration; and

**WHEREAS**, businesses have offered feedback on how they can transact business while maintaining safe social distancing, and that feedback has been evaluated from a public health perspective to ascertain how the feedback can be implemented safely; and

**WHEREAS**, some limited measures such as curbside pickup, hair care services for certain individuals, and others, can be an effective way of allowing small businesses to recover revenue and can be done in certain ways that ensure safe social distancing is maintained; and

**WHEREAS**, these initial reopening steps will allow for an assessment of how well measures will be followed ahead of additional reopening efforts.

**NOW, THEREFORE, I, JOHN C. CARNEY**, pursuant to Title 20, Chapter 31 of the Delaware Code, to control and prevent the spread of COVID-19 within the State of Delaware, do hereby order that the COVID-19 State of Emergency declaration, as modified by the First through

Fourteenth Modifications and extended on April 10, 2020, shall remain in effect until further notice, with the following modifications and additions:

**A. ELECTIONS:**

1. Effective immediately, the Delaware presidential primary election, originally scheduled to be conducted on April 28, 2020 pursuant to 15 Del. C. § 3181 and rescheduled to June 2, 2020 pursuant to the Sixth Modification of the COVID-19 State of Emergency declaration, is hereby further rescheduled to July 7, 2020. The Department of Elections shall mail absentee ballot applications to all registered Democrats and Republicans in the State of Delaware, in order to provide all such registered voters the opportunity to vote by absentee ballot in the presidential primary election and, pursuant to the Sixth Modification, the ability to select the “sick or physically disabled” reason if a voter is asymptomatic of COVID-19 infection and otherwise abiding by CDC and DPH guidelines by exercising self-quarantine or social distancing to avoid potential exposure to (and community spread of) COVID-19, and who herself or himself freely chooses to use such qualification to vote by absentee ballot. In addition to mailing absentee ballot applications to all registered Democrats and Republicans in the State of Delaware, the Department of Elections shall set up and operate a reduced number of polling places on the election day. There shall be at least six (6) such polling places in each county to allow voters to vote in person should they choose not to vote by absentee ballot. Department of Elections is encouraged to implement social distancing requirements, require all persons age 13 and older to wear a face covering at all times, and enforce crowd limitations of 10 persons at a time at polling places.

2. All elections for school board members in any Delaware school district scheduled to be conducted on May 12, 2020 pursuant to 14 Del. C. § 1072(c) and, pursuant to the Sixth

Modification to the COVID-19 State of Emergency declaration, delayed until June 16, 2020, are hereby further rescheduled for July 21, 2020. The terms of current school board members currently ending on June 30, 2020 are hereby extended to and through July 31, 2020. The term of any board member elected in the July 21, 2020 election shall commence on August 1, 2020, and the end of such term shall be governed by 14 Del. C. § 1052(d) and shall not be affected by this Modification. Districts are required to implement social distancing requirements, require all persons age 13 and older to wear a face covering at all times, and enforce crowd limitations of 10 persons at a time at polling places.

3. Notwithstanding the Sixth and Ninth Modifications to the COVID-19 State of Emergency declaration, municipal elections scheduled to be conducted pursuant to a municipality's charter or municipal code after the date of this Order but prior to the rescission of the State of Emergency may be conducted at the discretion of the municipality. Municipalities conducting such elections are required to implement social distancing requirements, to enforce the requirement that all persons age 13 and older wear a face covering at all times, and to enforce crowd limitations of 10 persons at a time at polling places. Municipalities are also encouraged to mail absentee ballot applications to all eligible voters in the municipality and to reduce the number of physical polling places on election day. Municipalities may also consider extending voting hours to reduce crowd size at the polling places.

4. In order to provide the Department of Elections sufficient time and resources to process the anticipated significant increase in the volume of absentee voting resulting from the shelter in place and social distancing requirements mandated by the State of Emergency and the requirement in this Modification to mail absentee ballot applications to all registered voters in the Democratic and Republican parties, the earliest time the Department may begin the

processing of such absentee ballots as set forth in 15 Del. C. § 5510 is hereby further extended from 10 calendar days before the day of the election to 30 calendar days before such election.
