NOW, THEREFORE, I, JOHN C. CARNEY, pursuant to Title 20, Chapter 31 of the Delaware Code, to control and prevent the spread of COVID-19 within the State of Delaware, do

hereby order that the COVID-19 State of Emergency declaration, as modified by the First through Twenty-Second Modifications and extended on April 10, 2020, May 8, 2020, and on June 6, 2020, shall remain in effect until further notice, with the following modifications and additions:

A. PHASE 2 TEMPORARY BUSINESS RESTRICTIONS. Notwithstanding the provisions of the Twenty-First Modification and the Phase 2 Reopen Plan, effective July 3, 2020 at 8:00 a.m. E.D.T., the following additional restrictions shall apply to taprooms and bar service in restaurants in the towns of Lewes, Rehoboth Beach, Dewey Beach, Long Neck, Bethany Beach, South Bethany, Fenwick Island, West Fenwick Island, Ocean View, Millville and/or the following zip codes: 19966 east of Rt. 24 and Rt. 5; 19945 east of Rt. 17; 19975 east of the intersection of Rts. 20 and 54, and the entirety of 19944, 19967, 19970, 19930, 19971, and 19958:

1. Taprooms, brewpubs and restaurants may not permit patrons to sit or stand at a bar, but may open the bar to prepare drinks to be brought to diners seated at tables. Taprooms, brewpubs and restaurants that choose to use designated bar space for seating patrons must arrange tables consistent with the Phase 2 Reopen Plan to allow for minimum social distancing, including the following:
 - i. Tables and booths must be arranged in a way that ensures seated patrons at one table are at least six (6) feet apart from seated customers at another table. For booths, this typically will mean seating patrons at every other booth. For freestanding tables (with pull out chairs), there should be eight (8) feet apart to ensure that a seated patron is six feet from seated guests at other tables. Inside and outside seating must both comply with these standards. Tables must be disinfected in between each party.

- ii. Patrons from different households may sit at a table together as long as they are socially distanced. Patrons must all have seats. Orders should be placed from a table and received at a table unless an alternative exists that ensures patrons who are not of the same household are socially distanced at all times while placing and receiving an order. All patrons must wear face coverings upon entering and exiting and when getting up from the table to use the restrooms, as required by the Thirteenth Modification.
- iii. Patrons must have a reservation unless the establishment has a system for ensuring that patrons without a reservation do not gather while waiting to be seated. Takeout can still continue under pre-Phase 1 guidelines, but should be done without those ordering entering the dining facility when picking up the order.
- iv. Any common areas where people would typically stand or engage in other activities must be off limits if not otherwise occupied by tables with seated patrons. This includes dance floors, arcade/bar game areas, pool tables, and similar spaces.

B. INSURANCE. Effective July 1, 2020 at 8:00 a.m. E.D.T., paragraph E. of the Sixth Modification of the Declaration of the State of Emergency, dated March 24, 2020, relating to the payment of insurance premiums, and paragraph 5. of the Ninth Modification, dated March 30, 2020, which modified paragraph E. of the Sixth Modification, are hereby stricken and replaced with the following:

- 1. Beginning July 1, 2020, every insurer shall provide a 90-day payment plan for past due premiums to individual policyholders who demonstrate a loss of job/termination of

employment due to the COVID-19 State of Emergency, or, if the policyholder is a business, the business demonstrates it was required to close or significantly reduce its business operations due to the COVID-19 State of Emergency. Repayment of the unpaid premium shall, at a minimum, be amortized over said 90-day period in up to 3 equal installments, except that an insurer may permit a longer repayment period to assist policyholders.

2. This Order is intended to grant policyholders an extension of time for the payment of premium which was past due between March 25, 2020 through July 1, 2020 without penalty or interest. Except as required herein, the provisions in this Order are not intended to vary the terms and conditions of an insurance policy. No provision contained in this Order is intended to be considered a forgiveness of premium due by a policyholder under an insurance policy prior to-, post-, or during the pendency of this State of Emergency. Failure to make payment under the payment plan may be the basis for cancellation or nonrenewal of a policy. Policyholders are encouraged to contact their insurer regarding payment of past-due premium. Pursuant to 20 Del. C. § 3116(a)(1), I delegate to the Insurance Commissioner of the State of Delaware the authority to issue guidance to insurers and policyholders regarding the content of this Order.

C. EVICTIONS. Effective July 1, 2020 at 8:00 a.m. E.D.T., Paragraph B of the Sixth Modification of the Declaration of the State of Emergency related to evictions, as clarified by Paragraph 1 of the Fourteenth Modification of the Declaration of the State of Emergency, is modified by deleting it in its entirety, including Paragraph 1 of the Fourteenth Modification, and substituting the following language:

1. Actions for summary possession may be filed with respect to any residential unit located within the State, and shall be stayed to permit the Justice of the Peace Court to determine whether the parties would benefit from participating in court supervised mediation or alternative dispute resolution, which process may include appropriate housing support services, as determined by the Delaware State Housing Authority, if requested by either party or the Court. Sheriffs, constables, court officers, and their agents shall refrain from acting to remove individuals from residential properties through the eviction process during the time this Order is in effect, unless the court determines on its own motion or motion of the parties that enforcement is necessary in the interest of justice. With respect to any past due balance for a residential rental unit, no late fee or interest may be charged or accrue on the account for the residential unit during the COVID-19 State of Emergency. Actions filed should include supporting documents, as directed by the court and supplied by the landlord, that demonstrate that the subject property is not covered by a federal moratorium on evictions.
2. Any action for summary possession with respect to any residential unit located within the State that was filed before the State of Emergency for which no final judgment had been entered shall be further stayed to permit the Justice of the Peace Court to determine whether the parties would benefit from participating in court supervised mediation or alternative dispute resolution, which process may include appropriate housing support services, as determined by the Delaware State Housing Authority, if requested by either party or the Court. Sheriffs, constables, and their agents shall refrain from acting to remove individuals from residential properties through the eviction process during the time this Order is in effect, unless the court determines on

its own motion or motion of the parties that enforcement is necessary in the interest of justice. With respect to any past due balance for a residential rental unit, no late fee or interest may be charged or accrue on the account for the residential unit during the COVID State of Emergency.

D. FORECLOSURES. Effective July 1, 2020 at 8:00 a.m. E.D.T., Paragraph C. of the Sixth Modification of the Declaration of a State of Emergency related to foreclosures is modified by deleting it in its entirety and substituting the following language:

1. The provisions of the Delaware Code relating to residential mortgage foreclosures, including Subchapter XI, Chapter 49 of Title 10 notwithstanding, for any residential mortgage foreclosure action commenced prior to the declaration of the state of emergency due to COVID-19, any stay of a deadline in that action pursuant to paragraphs C.2, C.3, and C.4 of the Sixth Modification is lifted, unless the court determines that a longer period is necessary in the interest of justice. Sheriffs, constables, and their agents shall refrain from acting to remove individuals from residential properties as a result of a mortgage foreclosure process by way of sheriff's sale, writ of possession, or action for ejectment during the time this Order is in effect, unless the court determines on its own motion or motion of the parties that enforcement is necessary in the interest of justice; provided, however, a party may act to remove individuals from residential properties, subject to a residential mortgage foreclosure action, where a judgment of foreclosure was issued prior to the declaration of the COVID State of Emergency. Any actions taken pursuant to this subsection should include supporting documents, as directed by the court and supplied by the lender, that

demonstrate that the subject property is not covered by a federal moratorium on foreclosures.

2. Except as modified in this section, all other provisions of Chapter 49 of Title 10 of the Delaware Code remain in effect in accordance with their terms.
3. Except as provided above, no provision contained in this Order shall be construed as relieving any individual of the obligation to make mortgage payments or to comply with any other obligation that an individual may have under a residential mortgage.

Such utilities shall not apply eligibility criteria, such as installment plan history, and customers may enroll in the COVID extended payment plan with no deposit/payment. Utilities may request proof of COVID impact, such proof to be the least minimal necessary to show the customer has been impact by COVID-19.

F. MISCELLANEOUS:

1. Effective immediately, Paragraph E.3. of the Twentieth Modification regarding emergency rules by the Secretary of Labor is hereby stricken. Paragraph 7 of the First Modification to the COVID-19 State of Emergency declaration remains effective, and it states: “The

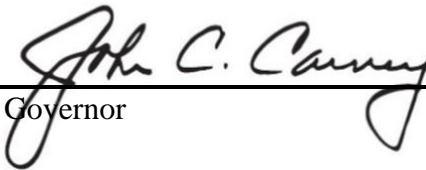

Delaware Secretary of Labor is authorized to develop emergency rules, amending the Delaware Unemployment Insurance Code, effective Monday, March 16, 2020, such emergency rules to remain in effect until the State of Emergency declaration has been rescinded. Refusal to admit the regulatory authority and provide reasonable access to the facility may result in the immediate closure of the business until an inspection is completed or the COVID-19 State of Emergency has ended. The Public Health Authority is further authorized to enforce the requirements found in the COVID-19 State of Emergency declaration, the Phased Reopen Plan, individual plans approved by government authorities, or other applicable State of

Delaware guidance. The Public Health Authority is authorized to impose occupancy and other restrictions on any business that it finds to be non-compliant. The Secretary of the Department of Health and Social Services shall issue an order further defining the enforcement of this Order. Any state agencies with primary regulatory authority over such entities and the Secretary of the Department of Safety and Homeland Security shall provide resources as requested to assist in the enforcement of this Order.

4. This Order has the force and effect of law. Any failure to comply with the provisions contained in a Declaration of a State of Emergency or any modification to a Declaration of the State of Emergency may constitute a criminal offense. 20 Del. C. §§ 3115 (b); 3116 (9); 3122; 3125. State and local law enforcement agencies are authorized to enforce the provisions of any Declaration of a State of Emergency.
