

## **EMERGENCY SECRETARY'S ORDER**

**Pursuant to 16 Del.C. §1119C and 29 Del.C. §10119**

**16 DE Admin. Code 3210 Nursing Homes Admitting Pediatric Residents**

### **AUTHORITY**

Pursuant to 16 **Del.C.** §1119C and 29 **Del.C.** §10119, the Department of Health and Social Services (“Department”) is adopting emergency regulatory amendments to 16 **DE Admin. Code** 3210 Nursing Homes Admitting Pediatric Residents. Additionally, 29 **Del.C.** §10119 authorizes the Department to adopt emergency regulations where an agency determines that an imminent peril to the public health, safety or welfare requires the amendment of a regulation with less than the notice required by 29 **Del.C.** §10115. Moreover, 16 **Del.C.** §1119C authorizes the Department to adopt, amend, repeal, or issue regulations for nursing homes admitting pediatric residents.

### **REASON FOR THE EMERGENCY ORDER**

Rapid and widespread transmission of COVID-19 has significantly impacted many vulnerable individuals receiving healthcare services throughout the community.

While the availability of COVID-19 vaccines has helped to mitigate some of the risk, health and safety protocols must continue. To protect our most vulnerable citizens from COVID-19, a comprehensive infection control and prevention program based upon guidance from the Centers for Disease Controls and Prevention and other nationally recognized sources is imperative to prevent or significantly decrease transmission of COVID-19 and other infections. Emergency regulations to require this infection prevention and control program were published in the July 2021 *Register* at 25 **DE Reg.** 9 (07/01/21).

In addition, staff at nursing homes that admit pediatric residents must either provide evidence of COVID-19 vaccination, or undergo regular testing to prevent the transmission of COVID-19. While the state’s requirements will offer employees the choice between getting vaccinated or getting tested, employers should encourage vaccination and federal guidance permits employers to require vaccinations. This emergency order adds language to the July amendment of Section 17.0.

### **EFFECTIVE DATE OF ORDER**

It is hereby ordered, that 16 **DE Admin. Code** 3210 Nursing Homes Admitting Pediatric Residents, specifically, Section 17.0 which expands the infection prevention and control program requirements, is temporarily modified as shown by underline as follows:
