TERMINATION OF STATE OF EMERGENCY AND LEVEL II DRIVING RESTRICTION FOR KENT AND SUSSEX COUNTIES DUE TO A SEVERE WINTER STORM

WHEREAS, on the evening of Friday, January 28, 2022 through Saturday, January 29, 2022, the State of Delaware experienced a severe winter storm with significant snowfall and gusting winds, resulting in decreased visibility and potential coastal flooding and other road hazards that made driving dangerous and created potentially life-threatening conditions in Kent and Sussex counties; and

WHEREAS, in light of the foregoing anticipated conditions, I declared a State of Emergency including a Level 2 Driving Restriction for Kent and Sussex counties, on Friday, January 28, 2022 at 12:15 p.m. E.S.T., effective as of 6:00 p.m. E.S.T. that evening; and

WHEREAS, although cold temperatures and high winds remain, the winter storm has passed; and

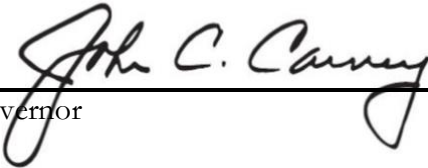

WHEREAS, through the significant efforts of the Delaware Department of Transportation and state and local emergency responders, travel on many Delaware roads is possible again, although not all roads may be passable and motorists should exercise extreme caution; and

WHEREAS, the foregoing emergency has been dealt with to the extent that conditions necessitating a State of Emergency no longer exist.

NOW THEREFORE, I, JOHN C. CARNEY, do hereby declare that:

1. My declaration of a State of Emergency for the State of Delaware dated Friday, January 28, 2022 at 12:15 p.m. E.S.T. is hereby terminated, effective as of Saturday, January 29, 2022 at 6:00 p.m. E.S.T.

APPROVED this 29th day of January 2022 at 5:00 p.m.

Governor
